Walter, or Wally to many of us, graduated from Lowell High School in 1996 and the University of Notre Dame in 2000. Consistent with Walter's personality to want to help those less fortunate, he joined the Peace Corp shortly after graduation and was sent to Bolivia. Walter had been in Bolivia for about six months and was 22 years old when he was officially declared missing March 6, 2001. He had been assigned to work on an ecotourism project in the Zongo Valley, a mountainous, tropical forested region about two hours north of La Paz, the Bolivian capital. Little progress has been made in finding out what really happened to Walter. This is a frustrating situation and a very sad story. Anyone that is lucky enough to know Walter, knows how tragic his disappearance really is. We ask that you join us at one or both of our fund raising events. Your participation is necessary for us to reach our goals. Any and all donations are appreciated.
